PROFESSIONAL EXPERIENCE

Software Development Intern — Lemosys Pvt. Ltd.

Dec 2025 (1 month)

- Developed AI agents and AI-powered chatbots for real-world applications, integrating intelligent conversational and automation capabilities.
- Built and contributed to web applications using modern full-stack technologies and REST APIs.
- Worked across frontend and backend development, integrating AI functionality into web-based products.

Ex Co-Founder & Developer — Vertibot | Nirma University Incubation

Aug 2025 - May 2026

- Co-founded a Government-funded startup incubated at Nirma University, focused on developing an innovative robotic solution.
- Contributed to product development, technical implementation, and translating the concept into a working technology solution.

Web Developer — Nirma University Nima Knowledge Centre

Feb 2026 - Aug 2026

- Developed the university's official Nima Knowledge Centre booking portal, now actively in use.
- Built a web-based booking platform for students/staff and supported its deployment.

EDUCATION

Bachelor of Science

Sep 2026 - May 2028

Dalhousie University

- Computer Science (3rd & 4th Year)

Bachelor of Science

Jul 2024 - May 2026

Nirma University

- Computer Science Engineering (1st & 2nd Year)

ACHIEVEMENTS & CONFERENCES

- Winner** — Build Your Start-Up Hackathon 7.0
- Selected & Incubated** — Nirma SSIP | Government-Funded Startup Initiative
- IIMA Venture E-Summit** | Selected among a limited cohort from across India
- IEEE ERTE Conference** — IEEE Gujarat Section State Level Conference
- NASA Space Apps Challenge • Smart India Hackathon (Qualified)**
- Generative AI Workshop** — MSME Indo-German Tool Room, Govt. of India
